El Pollo Loco Innovator of the Year Award

McClancy Seasoning Co. has earned the “Innovator of the Year” award from El Pollo Loco at their 2010 Convention held in October.

This award was presented to McClancy Seasoning in recognition for all the hard work that our R&D Department has put forth this year developing and enhancing El Pollo Loco products. Our R&D team worked extensively on developing the following new items: Carne Asada Seasoning, Fry Seasonings, Grill Seasoning for Vegetables, as well as revising existing EPL blends to enhance the flavor profile.

Please join with us in congratulating our team for a job well done.
